

PARTHO CHAKRABORTY

LEAD FULL-STACK WEB DEVELOPER & UI/UX DESIGNER

Guwahati, Assam, India | chakrabortypartho224@gmail.com

PROFESSIONAL SUMMARY

Highly skilled and results-driven Full-Stack Web Developer and UI/UX Designer with extensive experience engineering high-performance web applications, dynamic e-commerce ecosystems, and custom digital infrastructure since 2020. Expert in bridging the gap between cutting-edge visual aesthetics and robust backend architecture to optimize performance, scalability, and user conversion.

CORE TECHNICAL EXPERTISE

PROFESSIONAL EXPERIENCE

Lead Developer & Founder

Let's Uncover | 2020 – Present

- Architecting end-to-end full-stack web applications and custom management systems tailored to client requirements.
- Designing high-fidelity, mobile-first UI/UX wireframes and translating them into pixel-perfect, responsive code.
- Developing robust database schemas and secure server-side logic using PHP, Laravel, and Node.js ecosystems.

KEY CREATIONS & PROJECTS

bonkerscorner.com

E-Commerce & Streetwear Retail Platform

- Engineered an optimized, high-traffic e-commerce storefront showcasing modern, urban streetwear layouts.
- Implemented highly responsive frontend visual patterns ensuring seamless navigation across all mobile and desktop devices.

hotelharbour.in

Hospitality & Booking Management System

- Developed a clean, corporate business website integrated with seamless presentation layouts.
- Optimized user experience pathways to streamline online inquiry and client conversion tracking.

kaapimachines.com

B2B Industrial Equipment & Enterprise Solution

- Built a robust corporate platform featuring high-end product cataloging and sleek product interaction modules.
- Optimized core backend loading metrics to ensure maximum corporate site stability and fast asset rendering.
