Akshat Tiwari

The Navigator behind mQube's Creativity

Let's discuss your requirements over a Zoom call / Google meet.

Schedule

Visionary in Creative Arts

Akshat Tiwari is the Creative Head at mQube, bringing over a decade of diverse experience in the media and entertainment industry. Akshat has played an instrumental role in understanding client needs, overseeing creative projects, and ensuring timely and high-quality deliverables. His leadership and technical expertise in VFX, video production, and illustrations drive mQube's creative vision forward.

Let's discuss your requirements over a Zoom call / Google meet.

Schedule

With a rich portfolio of international and domestic projects, Akshat's work has spanned multiple industries. He started his career as a Junior Roto Artist on *Clash of the Titans*, his first Hollywood venture, and quickly advanced to roles such as Rotoscopy Supervisor for *The Chronicles of Narnia: The Voyage of the Dawn Treader*. His expertise further expanded as he served as a BG Prep Artist and VFX Compositor for major films, including *Guzaarish*, *Batman: Death Wish*, showcasing his ability to handle complex visual effects projects with precision and creativity.
