

MUSHARUF HOSSIN

2D ANIMATOR (PRO)

About Me

I am a 2D animator with 9 years of experience. I have worked both online and offline for a long time in different marketplaces. I enjoy making characters move and creating simple, clear animations that tell a story. I have done many types of projects like cartoons, explainer videos, and ads. I always try to understand the client's needs and give my best. I am friendly, hardworking, and open to feedback. If you are interested, I can do a demo animation for free, so you can see my work before starting any project.
