## 💼 PROFESSIONAL EXPERIENCE

**05/2022 – present**
Ahmedabad, India

**Netclues Technologies Pvt. Ltd.**
Android Developer
As an experienced Android/Flutter Developer at Netclues Technologies, I have been responsible for designing, developing, and maintaining high-performance mobile applications for Android platform. I specialize in using **Flutter** for cross-platform development and **Kotlin** for native Android apps, ensuring seamless user experiences and efficient code delivery.

Currently, I am leading a team of two junior developers, providing mentorship, guidance, and overseeing their work to ensure quality and adherence to best development practices.

**11/2021 – 04/2022**
Ahmedabad, India

**Latitude Technolabs**
Junior Android Developer
At Latitude Technolabs, I worked as a Junior Mobile Developer with a focus on **Flutter development** for cross-platform mobile applications. My primary responsibilities included maintaining and enhancing service-based projects, ensuring that existing functionalities were optimized and any issues were resolved promptly.

**06/2021 – 10/2021**
Ahmedabad, India

**Sumay Infotech**
Trainee Mobile App Developer
I started my career in the IT industry at **Sumay Infotech** as a trainee, where I gained foundational knowledge and hands-on experience in mobile app development. During my time here, I worked on various **Java**, **Kotlin**, and **Flutter** projects, learning best practices and honing my skills in both Android development and cross-platform mobile app creation.
