WORK EXPERIENCE

JTI Poland

Graphic designer

09.2024 - 08.2025

graphics, infographics, business cards, presentations, mailings
typography, video edition, posters, letterheads, papers, DTP

I was responsible for creating in-house materials. I managed to design fresh style of graphics used for employee training. Employees say the new graphics are much clearer and a lot easier to understand and learn.

You're Welcome Agency

Junior graphic designer

08.2023 - 09.2024

flyers, banners, billboards, posters, animations, SoMe graphics, POS,
clothing design, video ads, sound editing, photo retouch, DTP

As a junior designer I was helping the design team creating materials for the clients. But after my first fully independently produced video I became the main person in company responsible for creating video ads (including voice-over).

Chlubicki Design Studio

Freelance graphic designer

03.2016 - currently

drawings, digital paintings, posters, inscriptions, flyers, folders,
logos, business cards, clothing design, branding, photography, DTP,

I started my business activity by making drawings on commission. Over the years, learning about digital graphics, I began making digital materials for my clients. Now I offer a wide range of graphic services and photo/video edition.
