

Name: Daniel Perez Herrera

Email: dphcoding@gmail.com

Portfolio: <https://www.guru.com/freelancers/daniel-perez-herrera>

Profile

Self-taught coder with a relentless drive to learn, build, and solve problems. Started as a hobbyist, now crafting full-stack projects, debugging like a pro, and thinking like an engineer. Just hire me to see my potential.

Skills

Frontend: HTML, CSS, JavaScript, React

Backend: Node.js, Express, MongoDB, WordPress

Tools: Git, VS Code, Postman

Extras: REST APIs, Responsive Design, Debugging, Deployment
