ABOUT ME

I am grateful for studying for a bachelor's degree at Accounting Department from Soran University. With this education, I am looking to become a strong leader in my career as well as becoming a key player in creating new concepts.

EXPERIENCE

Van Steel, Erbil

Aug 2024 – Present

Assistant Accounting Manager & Data Entry

My main job is accounting, and I play an auditor most of the time. Our company is very large, so I have many jobs as an accountant.

Examples of some of my work:

- Document financial transactions.
- Resolve discrepancies.
- Monitor the efficiency of accounting procedures and programs.
- Advise companies regarding financial problems.
- Prepare and review invoices.
- Prepare a company's year-end financial statement.

Alla Oil Refinery, Erbil

Jul 2023 - Jun 2024

Accountant & Data Entry

My main job was accountant, but I also did other things, always being in the company office to write and calculate receipts.

Harir Bank, Erbil

Jun 2022 - Sep 2022

Accountant & Data Entry

I worked as a volunteer accountant at Harir Bank and was often one of the employees who paid pensioners and did many other things.
