

WEB & GRAPHIC DESIGNER

Professional Freelancer • Modern Websites • Creative Visual Design

PROFILE

Creative and detail-oriented freelance designer focused on building modern, responsive and visually engaging websites and graphics. I create clean digital experiences for businesses, personal brands, portfolios and online projects, with a strong focus on attractive layouts, usability and professional presentation.

SERVICES

Website Design	Modern, responsive and user-friendly website layouts
Landing Pages	Clean and conversion-focused single-page websites
Portfolio Websites	Professional personal and business portfolio websites
Graphic Design	Creative social media posts, banners and promotional graphics
Thumbnail Design	Eye-catching thumbnails for digital content
Brand Visuals	Simple, consistent visual assets for personal and business brands

SKILLS

- Responsive Web Design
- HTML/CSS
- UI-focused layouts
- Graphic Design
- Social Media Graphics
- Thumbnail & Banner Design
- Visual Creativity
- Attention to Detail
- Client-focused Design

DESIGN APPROACH

I combine clean structure, modern aesthetics and practical usability to create designs that look professional across desktop and mobile screens. I aim to understand each client's goals and turn their ideas into polished digital visuals.

TOOLS & WORKFLOW

Modern web-design workflow, HTML/CSS, AI-assisted development and creative design tools. I use AI tools to speed up ideation, development and refinement while keeping the final work tailored to the project.

AVAILABILITY

Available for website design, website customization, landing pages, portfolio sites, thumbnails, social media graphics and other creative digital projects.

Let's turn your idea into a professional digital presence.
