

## **FREELANCE WRITING RESUME**

Name: Janet Ndinda

Role: AI Content Humanizer, Freelance Writer, and Content Editor.

### **PROFESSIONAL SUMMARY**

I help clients transform AI-generated content into natural, clear, and human-sounding writing. I specialize in improving blogs, website copy, emails, and social media content by making them more readable, engaging, and authentic for real audiences.

My focus is on turning robotic or AI-written drafts into polished, professional content that connects with readers.
