Summary

I am a hardworking, skilled, and motivated Mechanical Draftsman who has completed a 2-Year Diploma in Mechanical Draftsman ship. I have strong practical experience in creating engineering drawings, technical drafting, 2D drawings, and 3D modelling using AutoCAD 2D/3D and SolidWorks 2D/3D. In addition, I have completed an Advanced AutoCAD (2D/3D) course and a 6-Month CBT&A Computer Course, which further strengthened my technical and computer skills.

I have been awarded **1st Position in the District-Level Drawing Competition held on 5th February on the occasion of Kashmir Day**, which reflects my creativity, precision, and attention to detail. I was also a **Kabaddi Winner at the College Sports Gala (2025–2026)**, demonstrating teamwork, discipline, and leadership abilities. I am a responsible, detail-oriented, and quick learner who is committed to delivering accurate and high-quality work on time and eager to contribute effectively in a professional engineering environment.

Experience

- Fresher with strong technical training in Mechanical Drafting.
- Hands-on practice in AutoCAD 2D/3D and SolidWorks 2D/3D during diploma and training courses.
- Completed academic projects and drawing assignments as part of training.
- Eager to gain practical industry experience in a professional environment.
