PROFILE

Digital marketer specializing in Meta (Facebook & Instagram) with 2 Year of Experience ads for B2B or B2C, helping owners fill their Revenue Runs a full-funnel approach paid ad campaigns paired with direct outreach and follow-up systems and offers new clients a one-month free trial to prove results before any commitment. Also builds websites and landing pages to support lead capture end-to-end.

Recent Works

Jan-2026 Dawn & Dusk Restaurant

Worked with a Pakistani Restaurant Dawn & Dusk, They are sucking at 16k (PKR) Per Day to 40k (PKR) Per Day and Some of the campaign Perform that well even the client said us we can't handle that much results Please of the campaign.

June-2026 DC Cargo

Worked with the Nigerian Cargo Company, they just started and we need to find their ideal customers and setup their website and test their meta ads campaign and scale the best performing that help them to kick start their cargo business

Digital Marketer

How It Work

- Start with a free month, clients see real leads before paying anything
- Simple, conversational outreach, no scripts that sound like a call center
- Keep working until the client has a full calendar of qualified leads

Niche

B2B

- Freelancer
- Agency Owners

B2C

- Shopify Store Owner
- Dental Clinics
- Interior Designers
