PROFILE

Creative digital content specialist focused on AI-powered UGC ads, short-form videos, product promotions and marketing-focused storytelling. I create engaging visual content designed to capture attention, communicate value and encourage viewers to take action.

CORE SERVICES

- AI UGC advertisements and product promotional videos
- AI spokesperson/avatar videos and AI voiceover content
- TikTok, Instagram Reels, Facebook and YouTube short-form videos
- Product showcase, explainer and social media ad creatives
- Video editing, captions, transitions, hooks and calls-to-action
- Creative concepts, scripts and marketing-focused storytelling

KEY SKILLS

AI UGC Ads • AI Video Creation • Video Editing • Digital Marketing • Social Media Marketing • Content Creation • Scriptwriting • AI Voiceover • Promotional Videos • Creative Storytelling • Ad Copywriting • Social Media Content

PROFESSIONAL EXPERIENCE

AI UGC & Video Creator | Freelance

- Develop UGC-style product ad concepts, scripts and conversion-focused creative.
- Create short-form content tailored to different platforms, brands and target audiences.
- Use AI-assisted workflows for avatars, voiceovers, visuals and creative variations.
- Edit and structure videos for strong pacing, engagement and professional presentation.

Digital Marketing & Content Marketing | Freelance

Support businesses and online brands with content promotion, audience engagement, digital marketing communication and social media-focused creative work.

EDUCATION

B.Sc. Chemistry — National Open University of Nigeria (NOUN), 2026

PROFESSIONAL STRENGTHS

- Client-focused communication and responsive project updates
- Creative problem-solving and attention to detail
- Strong understanding of hooks, calls-to-action and audience-focused messaging
- Available for one-time projects, recurring content and long-term collaborations

WORKING STYLE

Professional, collaborative and deadline-conscious. I clarify project goals, target audience and brand direction before production, communicate progress clearly, and welcome feedback to refine final deliverables.

Available for freelance AI UGC advertising campaigns, video creation, social media content and ongoing client partnerships.
