Summary

Skilled Photo Editor with 2 years of experience specializing in digital photo editing for individual and small-business clients. Proficient in Adobe Photoshop, image retouching, and color correction, consistently enhancing image quality and aligning compositions with client branding. Demonstrated ability to manage digital assets effectively and communicate with clients to ensure satisfaction with final deliverables.

Authorized to work in the US for any employer

Work experience

Photo Editor

self employeeed

July 2024 to Present

- Edited digital photos for individual and small-business clients, adjusting exposure, color balance, contrast, and sharpness to match requested visual style and enhance overall image quality.
 - Performed detailed retouching on portraits and product images, removing blemishes and distractions while preserving natural textures and maintaining a consistent, professional appearance across final deliverables.
 - Cropped, resized, and reformatted images for use across social media, websites, and print, aligning compositions with platform requirements and client branding guidelines.
 - Organized and maintained photo libraries, naming files consistently, creating logical folder structures, and backing up edited and original images to support easy retrieval and long-term storage.
 - Communicated with clients to clarify editing preferences, review proofs, and incorporate feedback, ensuring final images met expectations and were delivered within agreed timelines.
-
