

MUHAMMAD ANAS

FULL STACK WEB DEVELOPER

+92 345 1493298 Bahria Town Islamabad malikahmedk180@gmail.com

ABOUT ME

I am a passionate Full Stack MERN Web Developer with expertise in building responsive, scalable, and high-performance web applications. I specialize in MongoDB, Express.js, React.js, and Node.js, along with strong skills in HTML, CSS, JavaScript, Tailwind CSS, and RESTful APIs. I have experience developing modern e-commerce platforms, portfolio websites, dashboards, and real-time applications with clean UI/UX design and optimized backend architecture. I focus on writing clean, maintainable code and creating user-friendly digital experiences that combine performance, functionality, and modern design principles.

EDUCATION

MATRIC / O-LEVEL -2019 - 2021

- Beaconhouse School System, Islamabad Campus

FSC PRE ENGINEERING -2021 - 2023

- FG College (Federal Government Colleges)

WORK EXPERIENCE

t Tech PVT LTD - Frontend Web Developer

2020 - 2022

Worked as a Frontend Developer building responsive and user-friendly web interfaces. Converted UI/UX designs into functional web pages using HTML, CSS, JavaScript, and React.js. Collaborated with backend teams for API integration and ensured cross-browser compatibility and mobile responsiveness. Focused on performance optimization and clean UI structure.

Penta Vision Technology - Full Stack MERN Web Developer

2022 - Present

Working as a Full Stack MERN Developer developing and maintaining full web applications using MongoDB, Express.js, React.js, and Node.js. Built scalable REST APIs, authentication systems, and dynamic frontend interfaces. Responsible for both frontend and backend development, database management, and deployment of production-ready applications.
